HFT Arbitrage Robot - The Fastest Arbitrage Robot on Exclusive Discount for Just 10 Days... Hurry!!!

First of all, Thanks to be in touch. We appreciate your query.

This is David Alexi, the Author of HFT Arbitrage EA and Owner of the HFT Inc.

About Our HFT Arbitrage EA:

We are based in Finland with a dedicated team to provide best of our Achievement to the ordinary traders. We invented first version of HFT Arbitrage EA in 2013 with Our full dedication and experience of 8 Years in High Frequency Trading. HFT Incorporation has achieved milestone in Algorithmic High Frequency Trading world. We have successfully achieved nearly impossible performances this decade and We are proud to share it with you.

Thanks to our rock solid Hidden Algorithm, **HFT Arbitrage EA** has no limitation of profit. **HFT Arbitrage EA** is 1000% profitable, because It doesn't works like other Common Grid or Martingale EA etc. Most Important, It works on Reality & it works on **Real Live Accounts**.

HFT Arbitrage EA is based on Arbitrage Algorithm which Predicts Currency price from Major Liquidity (**LMAX API & Saxo Bank**) before It comes to Brokers and execute the Trade according to that & simply Grabs the profit. Our HFT EA can generate minimum 100% to 1000% profit weekly. However it depends upon Brokers execution

Quality, Spread, Margin & Leverage of the Account. We recommend to Open an ECN/STP NDD (Market/Instant Execution) account with Slow Feed Brokers. Its trade Success Rate is 101% if all these requirement meets. HFT EA can be run 24 Hours Or you can run it on EURO & USA Sessions or On Major Economic Data for best performance. You just have to follow our Guidance and be successful with us.

Our HFT EA Unlimited Package covers 45 Days 100% Money Back Guarantee, If you are not satisfied with our Recommended brokers performance. No more need to waste your hard earned money in test & find other Scam Brokers. **7 Fully Tested HFT Operational Brokers List will be Provided in Package and Our clients getting regular withdrawal without any issues.** We'll guide you in all the way from opening account with operational Broker's to Setup the EA on your PC/VPS with best Settings We have. Its all included complementary with the package without any Hidden conditions or charges.

Question 01: What will be the approx % Profit with this Arbitrage EA? Which time is preferred to run you HFT EA?

Fortunately, Our HFT Arbitrage EA has No Limitation of Profit. It can make minimum 100% to 1000% profit Weekly. However It depends upon each Broker's Execution Quality, Spread, Margin & Leverage of the Account etc. We recommend to Open an ECN/STP NDD account (Instant/Market Execution) with Slow Feed brokers. Success rate of Our HFT EA is 101% If all these requirement meets.

(Note: We Currently provide 7 Fully Tested HFT Operational Brokers & Settings with the Package and We regularly update new Brokers to Existing clients via mail free of cost).

It can be run on 4 / 5 digit, Fixed or Variable spread MT4 forex accounts. It has no mind frustrating settings. With Simple set-up You will be ready to get profit.

Question 02: Will you help to set up HFT arbitrage EA to my VPS server?

Off course. After payment, We will send all the necessary Files (EA, UserGuide, Settings, Installation Files, License & 7 Fully Tested Operational Broker's List) to your email. If you have any difficulties please contact us, We are happy to help. We could help you to setup it via Team Viewer at your convenient time.

However Its also very easy to complete the setup at your own. You just have to read the instructions in UserGuide and install the software on your PC or VPS server.

Question 03: What is the minimum deposit required to work with HFT Arbitrage EA?

The minimum deposit for HFT Adviser could be as low as 50 USD with Minimum Leverage of 1:100. Minimum lot can be set to 0.01. You could increase lot size & Deposit when you are satisfied with results from chosen Broker.

Question 04: Will you provide list of Operational Forex brokers, where We can work with HFT Arbitrage Robot?

Yes, 7 Fully Tested Brokers List will be provided with the Package. In the future We provide more Updated brokers name via Mail because Our dedicated team is always busy in testing more new Brokers for Our clients. So, You don't need to do test other brokers and waste your valuable time & money.

Question 05: Is there any restriction like Licence Key or Its an Unlimited Licensed EA? How to Use EA on Unlimited VPS/PC/Accounts? Will it work on my Clients or Friends MT4 Account?

There's no any Kind of Restrictions to use our HFT Arbitrage EA with any number of VPS/Computer & Accounts because We provide Unlimited License Package to give Value for your hard earned money.

You can run HFT EA on Unlimited VPS/PC/Account without any limitations with some simple steps. HFT EA comes with permanent attached License in your name. On Every New VPS/PC you just have to run EA on your owned Named MT4 Account at first time and EA will be activated, then you can use any other friends/Clients/Relatives & Friends MT4 account with our HFT EA without any limitations.

Simply Repeat this procedure on every New VPS/PC.

But never use others account at first time on , it may block your License Temporarily or Permanently. So, You will always have to keep your EA copy in safe and never share it to Unknown Person. However, We provide you the Package files with Secret Password to keep it safe.

Question 06: I don't have Account with Neteller and Perfect Money, Is there any other ways for payment?

No, Currently We have 2 Major ways for payments: **Neteller and Perfect Money.**

You can Open an Account with them here instantly:

[Click here for Neteller Website](#) (Accept Debit / Credit Card / BitCoin / Bank Wire for Deposit & Withdrawal Instantly)

[Click here for Perfect Money Website](#) (Accept Bank Wire or through Exchanger listed on Perfect Money website)

*We prefer you to use Neteller, because it doesn't charge any fees to transfer money and it gets verified instantly within 30 minutes of Identity document submission via Simple Upload OR Webcam Upload options.

Question 07: Which Pairs to be use in HFT Arbitrage EA?

All major Pairs could be use which has lower spread. We recommend EURUSD< GBPUSD< USDCHF< USDJPY< EURJPY< EURGBP< AUDUSD< NZDUSD< USDCAD etc.

Question 08: Is there any specific VPS Configuration requirement?

You could run it on any VPS Configuration but for Best Results We recommend you to use good configuration of VPS (Atleast 2GB RAM & above, 1.5 Ghz Processor recommended). Any other requirement is mentioned in user guide like Brokers name with Account types and settings Input. We also provide Best VPS Company's Link in Package for Low Latency to our recommended brokers.

Question 09: Will it work for US Brokers? You Provide brokers who accept US Clients?

US Brokers are part of our operational brokers list with package. You will get the links and Account type & Settings which is best suitable for our EA.

HFT Arbitrage EA is compatible with FIFO Rules. Our EA doesn't use Hedge Arbitrage Strategy. It works even in Lowest Leverage because its having good Money & Risk manage algorithm in it. HFT EA is tested in all conditions and limitations. It automatically detects and handles all conditions of Account.

Question 10: Will it required 2 MT4 to run the EA or It get feed from some other software?

NO. HFT Arbitrage doesn't required 2 MT4 or 2 Brokers MT4 Account. It doesn't work Like MT4 to MT4 Master Slave system.

It works with faster **READER (a software)** which Grab the Price Feed from SAXO Bank & LMAX API. (the fastest reliable Data Feeds)

READER forwards the data to HFT EA in MT4 & it instantly execute trade according to Data Feed.

Its very easy to setup and takes only 5 minute to run it successfully.

LMAX API feed is already inbuilt in Reader for Data Feed. So, There's No need to open any API accounts with LMAX.

You will just need to Open an Free SAXO Bank account If you also want Saxo Feed along with LMAX Feed. Saxo Account Opening Link and Setup steps will be provided with the UserGuide. Saxo Account is Instant & absolutely free to open. NO any Verification & initial Deposit required to open Saxo Account.

Off course, All things like Settings, Reader, Installation drivers and Setup will be provided in package to assist you in all the way. Its setup installation is same as common softwares that We use and install in our daily computer work. It takes on 5 to 10 minutes at first time to install these softwares on VPS and not required to repeat again in future on same VPS.

Question 11: Do you provide Demo version of EA for test?

NO. Currently We don't provide Demo Version of EA, because It comes with 100% Money Back Guarantee If you are not fully satisfied with its work and Results on your Account. We provide Guarantee, because We are 100% confident about our Project.

Secondly, We provide best fully tested operational Brokers to our clients with package. So, anyone can instantly start trading with HFT EA without wasting time and hard earned money in testing other brokers.

Question 12: Will broker detect HFT Arbitrage EA or its Strategy?

NO. We have coded HFT Arbitrage EA with Secret Algorithm, So, its not possible to detect our HFT EA's strategy by Brokers and We have also removed the Trade Comments to make it hidden beast. It means there will be No Comments in Trade History.

Question 13: Why you sell this amazing profitable EA?

We are not selling HFT EA to achieve Million of Dollars. We are actually selling it to make a trusted client base for our upcoming Big Projects. We don't mind in sharing our Hard work, As we are getting reasonable Price for it. We believe in work with a team with huge success rate and We are going forward with our Dream.

We think,Together, We can do more.

Please don't hesitate to contact us at anytime. We are happy to help you.
